1. Would it be possible to place additional supporting documentation in the Appendix of the proposal and reference the reader to that documentation?

Answer:

Please remain within the page limits noted in the Solicitation.

2. Is there a cover page template or will a cover letter signed by our President/CEO suffice?

Answer:

There is no template for the cover page. A letter signed by an entity's President/CEO is sufficient as long as he/she is authorized to bind the submitting entity.
